The purpose of The Greater Bath Foundation is to promote the history, tradition, beauty and development of the Town of Bath and the surrounding area through beautification projects, tourism, and special projects or events as may be needed. Events such as these cannot come to fruition without the help and support of our community. We ask that you don't miss out on this opportunity to be a part of this special event which will benefit the Hope for the Warriors Foundation and to celebrate the rich history of the oldest town in North Carolina, Bath, NC

A portion of the proceeds will benefit Hope for the Warriors, founded in 2006 by military families aboard Marine Corps Base Camp Lejeune, NC who witnessed, firsthand, the effects war imparts on service members and their families.

Hope For The Warriors has remained grounded in family values as the organization expands both the span of programs offered and the number of wounded, family members, and families of the fallen assisted.

Nationally, Hope For The Warriors provides comprehensive support programs for service members, veterans, and military families that are focused on transition, health and wellness, peer engagement, and connections to community resources.
